Constantly Hawking and Spitting."

THOMAS J. RUSHING, ESq., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarth for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarth Remedy, and I am now a well man. I believe it to be the only sure remedy for catarth now manufactured, and one has only to give it a fair trial to experience astounding results and a permaneos cure."
